A1 Workshop

Assignment Title: Describing and Speaking About Myself

Assignment: In a 15-Minute Talk, describe yourself following the instructions below.

Assignment Instructions:

1. **Introduction** (50-75 words): Begin by introducing yourself briefly with your name, age, and where you come from. Additionally, mention one interesting fact about yourself.

2. **Physical Appearance** (50-75 words): Describe your physical appearance, including your height, hair color, eye color, and any unique features you have. Use adjectives appropriately in your description.

3. **Personal Interests and Hobbies** (75-100 words): Provide a brief overview of your interests and hobbies. Include at least three activities you enjoy doing in your free time, such as playing sports, reading books, or listening to music. Explain why you find these activities enjoyable.

4. **Educational Background** (75-100 words): Share details about your educational background, such as your current grade or university, your favorite subject(s), and any achievements or awards you have received. Discuss why you find these subjects captivating.

5**. Future Aspirations** (75-100 words): Discuss your goals and aspirations for the future. Explain what you hope to achieve academically or professionally and how you plan to work towards those goals. This can include your desired career path or any personal goals you have set for yourself.

Tips for Success:
1. Utilize appropriate adjectives and vocabulary to describe yourself.
2. Use clear and concise language to ensure understanding.
3. Practice speaking your assignment aloud to improve fluency and pronunciation.
5. Revise and proofread your assignment for any grammatical errors before the oral presentation.
6. Please ensure that you clearly articulate your words.

Remember, this assignment is designed to improve your English language skills and boost your self-expression. By being able to confidently speak about yourself, you will become more comfortable communicating in various personal and professional settings.

Best of luck with your assignment
