

Homework Assignment:

Task1: Evaluating Wikipedia as an Information Source

1. **What is Wikipedia?** Briefly describe its purpose, how it is created, and how information is maintained.
2. **Your Experience with Wikipedia:** Have you ever used Wikipedia for your studies? If so:
 - What kind of information did you search for?
 - How did you use this information in your coursework or assignments?
3. **Wikipedia in Academic References:**
 - Look at the reference list of an academic article or book.
 - Did any of the authors cite Wikipedia as a source?
 - Why do you think academic writers do or do not cite Wikipedia?
4. **Evaluating Wikipedia's Usefulness:**
 - In what situations might Wikipedia be useful for students and researchers?
 - When should Wikipedia **not** be used as a primary source?

Task 2: Exploring ChatGPT and Its Academic Use

1. **What is ChatGPT?**
 - Describe what ChatGPT is, how it works, and what it is used for.
2. **Can ChatGPT be used for academic purposes?**
 - Justify your answer with specific examples.
 - Discuss both the benefits and limitations of using ChatGPT in academic work.

Instructions: Provide detailed responses, using examples where possible. Be prepared to share your answers in class.
